Project Management: Jira, Confluence, Azure DevOps, Trello, Agile, Scrum

Operating Systems: Linux (Ubuntu), macOS, Windows

PROFESSIONAL EXPERIENCE

Senior Technical Writer (Contract) — SimpliGov

Remote | July 2023 – April 2026

- Authored and maintained API and developer documentation, including OpenAPI/Swagger references and SDK guides published via SkillJar.
- Owned release notes and status-page communications across the product lifecycle.
- Built and maintained the internal knowledge base in Confluence, standardizing templates and information architecture.
- Produced user guides and video tutorials that improved customer self-service and reduced repeat support inquiries.
- Translated technical requirements from product, engineering, and customer success teams into clear, audience-appropriate documentation.

Senior Technical Writer — GlobalLogic

Kyiv, Ukraine | November 2021 – June 2023

3M | Technical Writer

- Created internal documentation for a headless CMS architecture, enabling integration across cross-functional developer teams.
- Translated complex backend structures into API guides and technical workflows for content delivery systems.

Verizon | Technical Writer

- Authored and maintained UI/UX documentation for native iOS and Android applications.
- Developed technical presentations communicating product features and system capabilities to enterprise stakeholders.

NuvoAir | Technical Writer (Medical Technology)

- Managed full-lifecycle documentation for medical devices serving clinical users and software engineers.
- Authored regulatory and licensing documentation in compliance with FDA/CE standards.
- Produced release notes and developer manuals for integrated lung-function testing hardware and software.

Senior Technical Writer — BJet

Lviv, Ukraine | August – November 2021

- Developed ERP system documentation (Odoo): dashboards, integrations, configuration guides.
- Wrote legal and policy documentation (AUP, security policies) and produced video tutorials for international users.

Technical Writer — ASBIS Ukraine

Kyiv, Ukraine | September 2020 – August 2021

- Created user manuals, quick-start guides, and online help for consumer electronics and hardware product lines.
- Produced video tutorials and managed localization for multi-region product launches.
- Documented hardware specifications, setup procedures, and troubleshooting flows.

Technical Writer / Project Manager — EGIS Ukraine

Kyiv Region, Ukraine | December 2018 – September 2020

- Produced engineering documentation, technical reports, and mitigation strategies for infrastructure projects.
- Managed documentation workflows and drafted executive summaries for project stakeholders.

Journalist / Project Manager — Ukrainian Helsinki Human Rights Union

Kyiv, Ukraine | 2015 – 2018

- Produced reports, multimedia content, and advocacy materials; managed external communications and social media strategy.

Broadcast Journalist — Hromadske Radio

Kyiv, Ukraine | 2013 – 2018

- Produced podcasts, news reports, and analytical content.

Journalist — Telekrytyka, Vechirni Visti, Delo

Ukraine | 2008 – 2013

- Covered political and economic topics; produced media analysis and video content.

Automation and Instrumentation Engineer — District Heating Networks

Zaporizhzhya, Ukraine | 2001 – 2007

- Managed automation systems and maintained technical documentation and metrology processes.

EDUCATION

PhD in Philosophy and Literature — University of Pécs

Hungary | 2023 – 2028 (in progress)

Dissertation on Ukrainian and Soviet science fiction, AI ethics, and machine consciousness; active participant in international academic conferences.

Certificate of Excellence, Digital Journalism — Intajour (International Academy of Journalism)

Hamburg, Germany | 2011 – 2012

Bachelor of Arts in English Translation / ESL — Classic Private University

Ukraine | 2006 – 2008

Master's and Bachelor's in Engineering (Automation and Instrumentation) — Zaporizhzhia State Engineering Academy

Ukraine | 1994 – 1999

LANGUAGES

English — Professional (C1–C2) | **Ukrainian** — Native | **Russian** — Professional proficiency | **French, German, Hungarian** — Limited working proficiency
